

Introducing:

## WEEIP PARK STREET ART PROJECT

*Hi! My name's Fieldey*

I'm a professional surf, skate and street artist and I've been invited to Midland to paint this wall for the new Weeip Park Youth Zone and I want you to help me paint it!

This is your wall and everybody's story is important, so I want to showcase your voices. I want to know what you love about living in Midland and what you want to see on this wall.

I'm going to create a design for the mural that weaves together your stories and ideas. I'll be inviting you to help me paint it during the Christmas School Holidays.
